

Class – 9th

Worksheet-09

Chapter-3

Subject Maths
Coordinate Geometry

Fig. 3.14

See Fig.3.14, and write the following:

1. The coordinates of B.
2. The coordinates of C.
3. The point identified by the coordinates $(-3, -5)$.
4. The point identified by the coordinates $(2, -4)$.
5. The abscissa of the point D.
6. The ordinate of the point H.
7. The coordinates of the point L.
8. The coordinates of the point M.
