Dear Anuj

I am glad to know that Mohan uncle met you recently in your boarding school hostel. He has phoned Papa to tell him that you have lost weight and you look weak. It is good that you are an exceptionally brilliant student. But at the same time you should take care of your health also. To have a sound mind, a sound body is equally essential.

So take healthy and rich diet. Get up early in the morning. Go for a long walk. You should also start playing some game. Team spirit, discipline and physical fitness are the key to success in life.

I hope next time when you come home, you look healthier, fit and fine.

With lots of love and affection,

Yours affectionately

Respected sister

Please accept my heartiest congratulations on the occasion of your coming birth-day. This is for the first time that you won't be with us on your birthday. However, I sincerely wish that you get admission in some good medical college. I know-how hard you have been working for it.

Well, Didi, how do you plan to celebrate your birthday? I wish I were with you. I have bought a small present for you. I hope you will like it.

With lots of best wishes and congratulations.

Yours affectionately

Rahul
