**Learn and write the following question and answered**

**Very short answer question**

**Q1. Name the house on wheels.**

A1. Wheel Caravan

**Q2. Name the house made of snow.**

A2. Igloo

**Short answer question**

**Q1. What is a *kachcha* house?**

A1. A house made of mud, dry leaves, straw and bamboo is a kachcha house.

**Q2. What is a *pakka* house?**

A2. Houses made of bricks, steel and cement are called pakka houses.

**Q3. Priya is making fun of her maid's children as they live in a *kachcha* house. Do you think it's right? Why/why not?**

A3. It is not right and we should not make fun of people. We should not judge people by their living standards.

**Long answer questions**

**Q1. Why do we need a house?**

A1. We need a house to live in, feel safe and comfortable. It protects us from heat, cold and rain. A house also protects us from wild animals and thieves.

**Q2. What are stilt houses? Where are they made?**

A2. Some houses are made on wooden posts. The base of these houses is quite high from the ground level. Such houses are called stilt houses. These kinds of houses are made in areas that are generally flooded due to heavy rain.
